How are bookings for 2021 made?

In January existing parents need to login to their profile and then proceed to the booking section. New parents can go to the following link to register. <https://sherpakids-za.aimyplus.com>. Once the booking has been made an invoice will be sent to you with Sherpa Kids Banking details. The payment is made to Sherpa Kids **not** the schools bank account.

With the New Year just around the corner we please ask that you ensure your contact information and child's information is up-to-date. At the top of your login page you will find the following bar which will guide you in completing any missing information. This information might relate to the grade your child is in, an old cell phone number or authorised personal.

Some mandatory fields are missing. Please click following links to complete your profile.

How to stay in contact:

Sherpa Kids will provide you with monthly newsletters and posters that will serve as a reminder regarding the Holiday Care. The Newsletters will communicate themes, important dates and news. You can also contact me on joburgwest@sherpakids.co.za.

Please let me know if you have any questions

Kind Regards
